Allendale, MI 49401

## OBJECTIVE

### **Networking / Web Development / Systems Analysis — IT Business Professional**

Obtain a competitive Information Systems position through which I may better develop the many skills and traits I've obtained throughout my studies. With an emphasis in networking, web development and systems analysis and design, I seek to be a value adding entity for any and all prospective employers.

## EDUCATION

### **Grand Valley State University; Allendale, MI — Bachelors of Science, Information Systems**

- Minor — General Business
- Expected Graduation — April 2009

## EXPERIENCE

### **Systems Development/Web Experience Intern, Herman Miller, Inc; Zeeland, MI — Summer 2008**

- Assisted in the planning and design efforts of a large-scale email invitation system.
- Gained valuable experience working within a well developed corporate atmosphere.

### **Audio/Visual IT Technician, GVSU CTS; Allendale, MI — Winter 2008**

- Combined high-technical knowledge with a high-priority customer service environment.
- Developed and expanded technical knowledge of advanced audio/visual equipment.

### **Freelance Web Developer, www.iVaughn.com; Charlotte, MI & Allendale, MI — 2006 - Present**

- Advanced personal knowledge of varying web structure and design elements.
- Examples of various sample works available at [www.iVaughn.com/portfolio.php](http://www.iVaughn.com/portfolio.php).

### **Student IT Technician, GVSU CTS; Grand Rapids, MI — Winter 2007- Fall 2007**

- Assisted with day to day technology troubleshooting efforts.
- Applied technical aptitude to a customer service attitude to provide adequate tech support.

### **Student Web Development Intern, L.L. Johnson Lumber Mfg. Co; Charlotte, MI — Summer 2007**

- Developed and deployed a small business initial web offering — [www.LumberXpress.com](http://www.LumberXpress.com).
- Merged an HTML frontend with a PHP/MySQL backend shopping cart software package.
